Code Of Conduct ESSF

October 2026

1 Introduction

This Code of Conduct serves the purpose of defining which conduct is expected of Student Sports Associations (SSA) and their members. A SSA which is a member of ESSF is supported by the TU Eindhoven (TU/e) and the TU/e wishes for all association members that they can practice their sports and participate in activities in a socially safe manner, but also conduct themselves in accordance with how TU/e sees general conduct for all students, employees and guests of TU/e, as well as conduct themselves in accordance with what acceptable conduct is within the field of sports as defined by NOC*NSF.

2 General

As a student, employee, representative of TU/e or visitor of the TU/e campus one is expected to behave in accordance with the following code of conduct:

- TU/e Code of Conduct

As an athlete, boardmember, official, trainer or volunteer, one is expected to behave in accordance with the relevant following code of conduct provided by NOC*NSF:

- Gedragscode voor functionarissen, bestuurders en vrijwilligers
- Gedragscode voor scheidsrechters en officials
- Gedragscode voor sporters
- Gedragscode voor topsporters
- Gedragscode voor topsporttrainer-coaches en begeleiders
- Gedragscode voor trainer-coaches en begeleiders

Aside from the above code of conducts a SSA is allowed to have and enforce its own code of conduct.

3 Transgressions and reporting

If one feels there has been a transgression of one of the codes or one needs support, one can turn to the ESSF CCP's or the SSCE's CCP's. A CCP can advise you in regard to the options in case of a person feels there has been a transgression. You can find these here:

ESSF: https://essf.nl/en/about/confidentiality-contact-point SSCE: https://ssceindhoven.tue.nl/over-ons/sociale-veiligheid

Furthermore, given every association member is also a sportscardholder, in case of a perceived transgression, one can also make use of the other support options offered by the SSC, which can be found here:
